Additional Fees and Definitions

All loads that are not secured and "covered" with a tarp will be charged double fee for that load on that day. Mesh that is one inch or less is acceptable but no boards, plastic bags, mattresses, etc., will be considered "covered".

"Out of County". As that term/phrase is used in the foregoing Schedule means: that trash, refuse or solid waste which originates outside the geographic boundaries of Lake County, Colorado.

"Messy Dumper" as the term/phrase is used in the forgoing Schedule will apply to any user of the landfill who, on two (2) or more occasions within a period of six (6) months, violates any of the rules and regulations relation to the operation of the landfill. The "messy dumper fee" will be assessed upon the third and any subsequent violation from the dates of the first violation.
