

“LAP-THE-LAKE 50” HAS RECORD PARTICIPANTS

Participants pedaled to clear, warm sunny skies in the 4th annual Lake County Recreation Departments “Lap-the-Lake 50” Cycling Race/Ride on Saturday, June 25th. With 34 finishers in the 20 mile division, 80 racers finishing the grueling 50 mile division, plus many more who did not complete the course, this is the largest number of participants in the history of the event. Race Director Larry Colley and other race volunteers received numerous positive comments from the racers concerning the course, great volunteers, and event organization. Several seasoned riders commented that the “Lap-the-Lake 50” is one of the most scenic, challenging and rewarding courses they compete in during the cycling season. Numerous awards were awarded to overall winners as well as age group winners, which concluded with an impressive free drawing featuring various prizes donated from local Lake County merchants who support the race.

Local athletes represented Lake County extremely well with Clint Bockstiegel wining the 20 Mile Men’s Overall Division, Erin Allaman finishing 2nd in the 20 Mile Women’s Overall Division, and Cindy MacIsaac winning the 50-59 age group. In the 50 mile race Lisa Isam won the Women’s Overall Division and Heidi Colley won the 30-39 age division. We look forward to next years race as indications are the numbers are certainly going to increase to new record levels.
