

FINANCIAL INFORMATION

Scholarships

Lake County Government and the Recreation Department work hard to ensure that all residents of Lake County have the opportunity to access recreation programs and facilities. To help make this possible the Recreation Department provides scholarships to youth in our community.

Scholarships will be limited in number and given to those that may not otherwise be able to afford to participate in recreation programs. Funds will be awarded on a case by case basis (are first come first serve) and restrictions may apply.

For more information, please contact the Recreation Department at 719-486-7486 or e-mail Amber Magee at amagee@co.lake.co.us.

Also available are *Swim Lesson Grants* from *Lake County Build a Generation* that allow youth in Leadville to take swim lessons for only \$5 per session. Information on this program can be received from Judy Green at 719-427-7892 or jgreen@co.lake.co.us.

Refunds & Credits

In May of 2016 the Lake County Recreation Department implemented a new policy regarding credits and refunds. A refund or credit will be readily granted if we are notified within five days prior to the program start date that the participant wishes to withdraw. If notified after the five-day window or after a program has started, participants may choose between the following options:

1. Refund: a \$5 service charge (per participant, per class) will be assessed on all refunds, excluding: (1) Illnesses excused by a doctor stating the specific reason the person is unable to participate, received no later than two weeks after the start date of the class. (2) Class cancellations by the Recreation Department. Refunds take two to three weeks to process. No refunds will be given after the 3rd day of any given program.
2. Credit: A credit will be earmarked for the total program cost that can be used toward any future program registration. Credits will not be issued after the 3rd day of any given program.
