

What you need to know if you rent the party room

1 – The rental fee is \$75 for two hours. A \$50 deposit is required in case there is damage or the party room requires excessive cleaning after your event. Deposits will be returned within 7-10 business days after your event if there is no damage/cleaning to be done.

2 – Party setup may begin up to **15 minutes** (between the hours of 3-8:00 pm Monday – Friday* and the hours of 2-8 pm Saturday and Sunday). The room must be clean and vacated after two hours; an additional fee of \$25 will be assessed for each additional hour.

3 – Guests will receive 12 wristbands and they should be worn by those who are swimming. If more than 12 guests wish to swim those guests will be charged the normal drop in fee. People just coming to watch are free and do not need a wristband.

4 – Please keep all food in the party room or designated area.

5 – Party organizers are expected to clean up any excessive messes including but not limited to, sweeping, mopping, removing decorations, folding tables and chairs and wiping down tables. Our staff will clean after the event but if the cleaning takes more than 15 minutes the party host will lose their deposit.

6 – Silly string and slime are prohibited from all areas of the facility.

7 – “Goody bags” containing small toys, balloons and party favors should remain in the party room and never be taken into the pool or hot tub, as they can get trapped in the filtration system. Contents must be approved by aquatic coordinator or head guard, no exceptions.

8 – Swimmers must obey the rules of the pool as enforced by the guards. Anyone who does not will be asked to get out of the pool for the duration of the party.

9 – In the winter months the party room can be VERY chilly unless the sun is out. We suggest that you eat and open gifts before swimming so wet guests don't have to sit in a cold room. We strongly suggest a visit the pool to get a feel for the room before booking your party!

*We open at 2:00 PM every day during the summer.

We wish you and your guests a SAFE and FUN experience!
