March 23, 2020

Due to the COVID-19 Lake County Public Works (Road and Bridge, Landfill and Airport) will be operating as follows;

- **Public Works open but closed to the general public**
 - Staff in the office will be minimal to meet the new State guidelines.
 - Phone messages will be returned the next business day.
- **Road and Bridge snow plowing, patching, hauling etc.**
 - Currently no staff changes will be implemented.
 - As our Staff are essential personnel
 - Staff are to practice social distancing at work and out in the community.
- **Landfill normal operations.**
 - Recycling Center and buildings at the Landfill are closed to the general public
 - Drop sites at Community Park and County Road 10 remain open.
 - Businesses that recycle will be asked to make an appointment to use the landfill recycling center. Please call 719-486-3099.
- **Airport open**
 - Facilities are closed to the general public

This is effective Monday, March 23rd through Sunday, March 29th. We will reevaluate this decision daily and make changes as necessary to protect the health and well being of our employees while providing the essential services to the community. The County is operational. All offices will maintain services to the public and information on how to access these services (by phone, email, and online) will be posted.
